The Teenage Girl

👁 29 ✓ 0 ⭐ 2

Chapter 1 by Gargi

She sat there with puffed eyes
Staring at the beautiful blue skies
Sitting in the puddle of her tears
She remembered her greatest fears
The thought of losing her friends was horrifying
It just made her start crying
She had just received the news of them shifting
She had no choice even though she was disapproving
She knew that if she moved she'll lose her very best friend
And when she came back it would be something she couldn't mend
The beautiful breeze in her life was now gone
A storm of many changes was now on
There was nothing she could do to stop it
She just had to find courage and brave it
She had to keep faith in her friendship and friend
And just hope that her absence won't bring it to a bitter end

She had to leave her home and go to a new place.

And braced herself to face the new life.
